

Join Caryl Hart Chair of the California Coastal Commission, Mendocino’s Coastal Supervisors Gjerde and Williams, staff from the Mendocino Council of Government, the Cities of Fort Bragg & Point Arena, Mendocino County Planning Director Julia Krog, as well as Tim Robustelli author & senior analyst at New America, a Washington DC based think tank, to discuss Climate Migration and Coastal Planning at the GrassRoots Institute’s zoom webinar (access information below) Thursday, September 19th from 3 pm to 5 pm.

SF Bay Area plans to spend \$110 billion to mitigate and adapt to Sea Level Rise. This month Mendocino County’s Board of Supervisors hired a consultant to prepare a “Sea Level Rise Resilience Strategy” for the county. Now is the time, to educate ourselves and act to adapt to climate change and sea level rise - your input is needed!!

Landmark Bay Area Regional Plan to Combat Sea-Level Rise Unveiled | KQED

GrassRoots Institute’s Webinar Information:

3:00 to 3:45 pm - Tim Robustelli senior policy analyst and researcher at **New America**, a Washington DC based non profit, will make a presentation regarding a recent report [Climate Migration’s Impact on Housing Security in the United States: Recommendations for Receiving](#)

[Communities](#) prepared by his organization and its policy implications at the Federal, State and Local levels. **Coastal Commission Chair, Caryl Hart** and Mendocino's coastal district **Supervisors Dan Gjerde and Ted Williams** will offer thoughts and discuss ways to manage coastal land use and climate migration impacts at the state and local levels going forward.

3:45 to 4:30 pm - Mendocino County Planning Director Julia Krog, Fort Bragg Special Projects Director Sarah McCormick, Point Arena Planner Marie Jones and Mendocino Council of Government Consultant Loretta Ellard will answer questions and update the public on current and planned initiatives by their agencies pertinent to coastal zone planning, land use management and updating Local Coastal Programs. **Regional Coastal Commission staff** have also agreed to be part of this discussion.

4:30 to 5:00 pm - Public Question and Answer Time - Q&A time regarding Blue Economy, Climate Migration, Climate Change, Local Coastal Program updates, Coastal Planning, etc....

The Institute's bimonthly zoom webinars are open to everyone interested and we invite the general public to participate. If you know others that you think would be interested in participating, please feel free to share this email with them. These webinars are recorded and are posted on the Institute's website at: [Mendocino Vision | Grassroots Institute](#)

If you have any questions or would like to discuss this zoom session, please feel free to contact the zoom's host Peter McNamee by email, phone or text. Contact information is below.
